Expression of Interest: Thriving Kids General Supports

EOI response checklist

Follow the checklist below to help prepare your EOI response.

Description	Check
Preparing your EOI response	
Reviewed the EOI guidelines	
Registered to the distribution list to receive updates about the EOI and grant process (see link under 'Key Information' in EOI guidelines)	
Registered to attend one of the public webinars (see link under 'Key Information' in EOI guidelines)	
Confirmed your organisation meets the eligibility requirements	
[If applicable] As the lead applicant in a partnership, you have: • confirmed your partnership arrangement is eligible • gathered the organisational details of your partner/s • prepared the required supporting evidence (no more than one page)	
Reviewed the suitability criteria for the EOI process, per the EOI guidelines	
Confirmed your EOI response is in scope under one of the four service categories (i.e. it is for a supported playgroup or parenting program or peer support program or group-based support for children 5-8 years or organisation that focuses on early childhood development)	
Addressed the relevant service model or organisation requirements for your service category	
Reviewed the price, frequency and duration guidance to inform your EOI response	
Confirmed that all elements of your EOI response can be in full or at least substantive delivery mode by January 2028	
Confirmed your organisation complies with relevant State and National laws per the EOI Guidelines	
Ready to lodge?	
Confirm that you have lodged your SmartyGrants application and received confirmation of lodgement
